## CIHR Project Grant Bridge Funding Program

### Program Overview

The CIHR Project Grant Bridge Funding Program supports USask faculty, who received a high score in the Project Grant competition but were not funded, in re-applying for CIHR funding.

**Three (3) bridge funding awards of \$40k  
will be available for the fall Project Grant 2018 competition**

Only one (1) application for this program per applicant per calendar year will be accepted. Faculty may receive only one (1) bridge funding award every two (2) years.

Awarded bridge funding must be expended within two (2) years from funding start date. No extensions will be provided, and unused funds remaining at the end of two (2) years will be returned. Any over-expenditure is the sole responsibility of the recipient. All expenses must abide by the [Tri-Agency Financial Administrative Guide](#).

### Guidelines for Applicants

#### 1. Eligibility Criteria:

- The nominated Principal Investigator must be a USask faculty member with a university appointment that extends beyond the requested application funding period
- Applications must have undergone **formal USask CIHR Internal Review**
- Only applications that received a **rank of >50% within their review committee** will be considered
- Principal Applicants must agree to **re-apply to the CIHR Project Grant program within one (1) year** of receiving bridge funding

#### Priority will be given to:

- applications with higher overall rankings;
- applicants who have not previously received bridge funding support, and who are not receiving concurrent bridge funding from any source;
- faculty within the first five years of appointment ; and
- interdisciplinary applications
