 - List all references cited or works referred to in your proposal. The use of different referencing styles is permitted.

Note: character estimates include spaces. Please use Calibri 12 pt. font with 2cm margins.

SSHRC Explore Grant restrictions on the use of funding include the following:

- Conference travel is eligible only up to a maximum of \$1,000 of the proposed budget. Conference travel must occur within the SSHRC Explore grant tenure. Explanation of how conference attendance is essential to the project must be included in the application.
- For personnel costs, please use the current University rate of pay and include non-discretionary benefits (Canada Pension Plan, Workers' Compensation, Employment Insurance, vacation).
- Release time stipends and teaching releases are not eligible.
- Research conducted under contract for a public or private agency or firm is not eligible.
- Collection or preparation of material primarily intended for personal classroom needs or teaching purposes is not eligible.
- Purchase of software or equipment will be considered only if strong justification is demonstrated and funding is not available from other sources. The purchase of computers is not an allowable expense. All software and equipment purchased through a SSHRC Explore Grant remains the property of the University. Purchase of equipment normally provided by a University unit or through University allocations for the purpose of capital equipment is not eligible.
