**CERTIFICATION OF THE PROJECT LEADER**

I hereby certify that:

- . the financial information maintained in Unifi is complete and accurate for annual reporting purposes.
- . the forecast presented in this report is realistic and takes into consideration the most recent expectations.
- . costs included in my fund and forecasted are admissible costs as per the CFI Policy and Program Guide.
- . costs included in my fund and forecasted are related to infrastructure projects which are admissible under the IOF, as per Section 4.6 of the CFI Policy and Program
- . costs included in my fund have not been claimed for reimbursement from another source.
- . costs included in my fund and requested were/will be subject to the institution's usual tendering and purchasing policies and procedures.
- . the infrastructure for which IOF is being requested is still used for research purposes.
